PRIME RESIDENTIAL

Bordersmead, Traps Hill, Loughton

We are proud to offer one of Loughton's finest residential properties for sale to the open market for the first time since 1966. This classic 1930s built six bedroom grand residence was imaginatively designed by renowned local architects Tooley and Foster. "Bordersmead" sits within substantial mature landscaped gardens on an elevated and commanding corner plot. The overall site offers approximately 0.98 acres (0.4 Hectares)

A new Pre-Application has been submitted for the redevelopment of the existing garden to provide 2 additional dwellings.

Plot 1 set on 0.26 acres
Proposed House 437m²/4,703 Sqft

Plot 2 set on 0.25 acres
Proposed House 147m²/ 1,582 Sqft

Bordersmead (Existing House) will be set on 0.43 acres
Existing House is 306m² / 3,293 Sqft plus a 45.6m² / 490 Sqft (Garage Block)
It is worth noting that the existing loft of Bordersmead is fully boarded and is an additional 1,500 Sqft

This spacious and prestigious property and grounds provide exceptional living space for family occupation with considerable potential for refurbishment of the existing property notwithstanding future development opportunities subject to planning consent. The loft space is fully boarded and currently offers over 1500 square feet.

It is rare that a fine house such as Bordersmead comes to the market with such a wide variety of options for improvement and development and all within immediate proximity to Central line stations and their respective shopping facilities.

Viewings will be conducted strictly by appointment only.

I have been in the property industry for over 44 years and having successfully built up an independent family owned estate agency which was sold to a PLC in 2013.
