PRIME RESIDENT

High Road, Loughton

Nestled on the prestigious High Road in Loughton, this splendid four-bedroom detached family home spans over an impressive 1,679 square feet offering a perfect blend of comfort and convenience. Constructed in the mid-1990s as part of an exclusive development within the historical grounds of the former Loughton school. Noteworthy for its historical significance, the property stands on the site once occupied by the esteemed author and Japanese art connoisseur, Arthur Morrison, at Salcombe House (1863-1945).

Upon entering, you are greeted by a bright entrance hall leading to the large living room ideal for both entertaining guests and enjoying quiet family evenings. The newly fitted kitchen is a delightful addition, designed to meet the needs of modern living. Additional benefits include a utility area, , and an integrated garage designed to accommodate a family vehicle.

The first floor boasts 4 double bedrooms with two well-appointed bathrooms, ensuring that morning routines run smoothly for the entire family providing a peaceful retreat at the end of the day.

There is potential to convert the home into apartments subject to the usual planning consents, drawings have been made to make the six apartments but there could be up to eight apartments if configured correctly ideal for developers.

One of the standout features of this home is the large gated private drive, offering parking for up to five vehicles, a rare find in such a desirable location. The west-facing garden is perfect for enjoying the afternoon sun, making it an ideal space for outdoor gatherings or simply relaxing in a tranquil setting. Families will appreciate being within the catchment area for Staples Road Primary School, known for its excellent educational standards. Additionally, the property is just a short walk from the Central Line tube station, providing easy access to London and beyond. Local shops and amenities are also conveniently close, ensuring that all your daily needs are met.

The property market has always interested me and seeing the reaction when someone finds their next home is something that really drives me to go above and beyond. I have a pride in my local area having grown up here, this also allowed me to grow a strong knowledge of the local community. With experience in the role already I look to provide a service to both buyers and sellers in which communication and transparency are key. I am incredibly proud to be a part of such a brilliant team dedicated to providing bespoke service to such a beautiful community.
